General and complete disarmament

Revised draft resolution submitted by the Chairman

Multilateral cooperation in the area of disarmament and non-proliferation and global efforts against terrorism

The General Assembly,

Guided by the purposes and principles of the Charter of the United Nations,

Recalling that the United Nations Millennium Declaration stated that the responsibility for managing threats to international peace and security must be shared among the nations of the world,

Recognizing that disarmament and non-proliferation are essential for the maintenance of international peace and security,

Emphasizing that all General Assembly and Security Council resolutions relating to terrorism, in particular General Assembly resolutions 49/60 of 9 December 1994 and 56/1 of 12 September 2001 and Security Council resolutions 1368 (2001) of 12 September 2001 and 1373 (2001) of 28 September 2001, demonstrate the unity and solidarity of the international community in the face of the common threat of terrorism and its determination to combat it,

Recognizing further the close connection between international terrorism and illicit arms-trafficking and the illegal movement of nuclear, chemical, biological and other potentially deadly materials,

Reaffirming the importance of taking all necessary steps to combat terrorism in all its forms and manifestations,

Noting with concern the lack of sufficient progress in multilateral disarmament diplomacy,

Determined to build a common response to global threats in the area of disarmament and non-proliferation,
